

# Gotthard Panorama Express.

News 2024.

[sbb.ch/en/gotthard-panorama-express](https://sbb.ch/en/gotthard-panorama-express)

**Experience history on the Gotthard Panorama Express and make travel itself an experience – a personal journey by boat and train between Central Switzerland and Ticino.**

## Timetable.

The Gotthard Panorama Express runs from 20 April to 20 October 2024. You will find the timetable on the last page.

There are connections to long-distance trains (national and international) in Arth-Goldau, Bellinzona and Lugano.

## Tickets.

In addition to a valid ticket for the route travelled the «Gotthard Panorama Express» supplement is required for all passengers on the panorama train.

**The supplement is now CHF 24.-.**

## Services.

Our multilingual tour guides will provide you with travel information, sightseeing information and insider tips for the region.

Snacks or a Ticino-style cold platter will be served directly to you at your seat in the panorama train.

## To make travel into an experience ...

- ... cruise across Lake Lucerne from Lucerne to Flüelen by motor or steamboat.
- ... go past the historical sites of early Switzerland, such as the Rütli, the Tell Chapel, the Schiller Stone and Treib.
- ... obtain exciting information from our multilingual travel guides on the panorama train.
- ... open the windows in the photo coach and feel the airstream.
- ... let the presentations on the story behind Gotthard Railway's origins fascinate you.
- ... enjoy the journey on the panorama train with its unique landscapes and diverse loop tunnels and bridges from Flüelen to Mediterranean Ticino.

## Inclusive services.

- Multilingual travel guides
- Documents on sights of interest and the course of the route
- Audio-visual presentation on the history of the Gotthard Railway
- Reserved seat in the 1st class panorama coach
- Access to the photo coach
- Luggage transport for individual travelers
- Free Wi-Fi
- Lovely farewell
- Other surprises

## Reservations and obligatory supplement.

- Seats must be reserved on the train.
- A supplement of CHF 24.– is charged with the reservation.
- Reservations can be made from December for the following year's season.
- Seat reservations cannot be made on board the boat.

## Tickets.

- All national and international tickets are valid.
- The ticket must be valid «by boat» for the section of the route by boat between Lucerne and Flüelen.
- Groups of 10 or more people benefit from a 30% discount.
- On the Gotthard route between Arth-Goldau and Lugano, the train only operates panorama cars in 1st class; a 1st class ticket is required. Passengers with a 2nd class ticket must purchase a class upgrade as well as the supplement to travel in the panorama train.

For more information on the Gotthard Panorama Express, to order the sales manual which will be published in Q4/23 or if you have any questions, please contact our sales team directly.
