Interlaken Ost (⌚ Departure 4 minutes past each hour)

Driving direction →

In the peak season, this unit is also added at the back of the train.

Group ticketing / payment method

Choose your preferred workflow : Easy e-boarding
or conventional direct payment at station.

Ticket purchase and handling process (full service by credit card)

- Please kindly provide us with your credit card details for incorporation within our reservation system.
- Upon making a group reservation, our system will create your group ticket (eTicket)
- 10 days before the trip you will receive the group ticket by e-mail together with the details of the specific seating that has been reserved.
- Your tour guide is no longer required to go to the ticket counter before the train's departure. This saves time.
- On the train, the tour guide must show two documents:
 - a) Group ticket (e-ticket).
 - b) Group reservation confirmation.
- Invoices for eTickets together with the reservation fees will be issued monthly, post-departure. These are sent by email.

Direct payment at station

- Purchase at the station – 30 minutes before departure.
- Make your group booking prior to the date of travel.
- On the travel date, the tour guide can pay for the group ticket and seat reservation fee directly at the ticket counter, simply by showing the booking confirmation.
- Tickets and seat reservations are then issued before departure at the train station. Payment with cash or by credit-card only.

General Terms and Conditions

Changes can happen. Please see further details
for such cases below.

Swiss Travel System.

The most delightful way to explore Switzerland.

Trains, buses and boats are geared up to take travellers to their destinations – comfortably and right on time. Navigating the world's densest transport network, trains run like clockwork: on all routes and always at the same minute after every full and half hour. Connections are always assured: even as high up as 3,800 Metres above sea level.

Swiss Travel Pass

An all-in-one ticket combines 250 transport companies. You no longer have to buy a separate ticket for each train, bus or boat trip.

One country, one ticket

Independent, flexible, comfortable. Exploring Switzerland has never been easier! For foreign guests, the all-in-one ticket Swiss Travel Pass is the smart key to Switzerland's public transport network. This single ticket enables visitors to explore Switzerland from end to end by train, bus and boat on 3, 4, 6, 8 or 15 days.

The ticket includes the popular panorama routes such as the Luzern–Interlaken Express, as well as trams and buses in no fewer than 90 towns and cities. In addition, Swiss Travel Pass holders are entitled to free admission to more than 500 museums nationwide and up to 50% discount on mountain excursions.

To get more information please scan the QR code or go to mystsnet.com/tickets

Where to buy Swiss Travel System Tickets

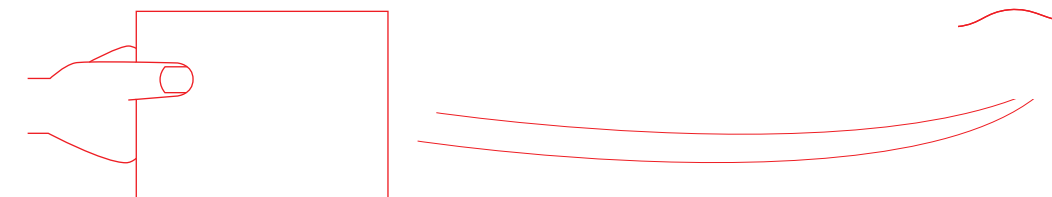

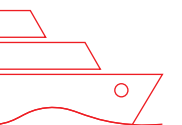

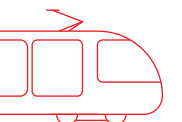

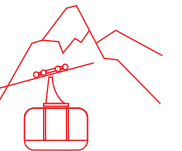

We have a worldwide distribution network and cooperate closely with global key accounts and distribution partners in order to optimally satisfy your desires.
